

Dear Parents/Carers,

Thank you for all you have done to support the school this half term. It has been an excellent 6 weeks during which time the children have worked really hard in their lessons. They should be coming to you very tired and ready for a rest.

Our final day began with pancakes in Breakfast Club and finished with an online assembly celebrating the children's achievements. You can see from the Stars of the Week, the range of work children have been doing not just in reading, writing and maths but also in the arts and sciences. We are very proud of them.

After half term, we hope to restart football clubs from Year 4 to Year 6. [You can find out more information here.](#) We are looking to appoint after school supervisors to hopefully enable us to begin the after school club on Monday 14th June, there will be more information regarding this in the first week back after half term. In the mean time, please make sure you share with us below if you would be interested in sending your child to After School Club.

On a personal note, thank you for the welcome you have given me as a new Headteacher. I wish you all a good week.

Justin Gray
