

Dear Parents/Carers,

Today, we say a sad farewell to Miss Rides who has worked brilliantly with our youngest children over the last 3 years. We thank Miss Rides for all her hard work and commitment and we wish her all the best in her new career.

On Monday, we restart our After School Club. This will take place in the dining hall or outside with bubbles remaining as separate as possible in line with our risk assessments. To book a place, just make a payment for the days you wish your child to attend through SchoolMoney. If you do not know your login details, please contact the office.

Our football clubs began last week for Year 4 to 6. If your child is interested in taking part, please contact the office and we will send the information that you need to register them.

Although the situation surrounding COVID is at last settling down, we are still receiving reports of positive cases in the wider community. The news is a reminder that we must all continue to wash our hands frequently and monitor our families for symptoms in order to keep everyone in our community safe.

Headteacher

Summer Weather

With the weather getting warmer, please can we remind you that it is important that children bring a water bottle with them every day.

Children can also bring sun hats which they can wear when they are outside.

It is also important that you put sun cream on children before they come to school, especially on very sunny days.

Nursery Places

You are now able to apply for a place for your child in our Nursery. Please contact the office on 01384 210290 and ask to speak to Mrs Gresswell.

Holiday Activities

If you are entitled to FSM, the deadline to register your interest has been extended until 14th June.

More information is available [here](#).
