

Dear Parents/Carers,

This week started off with sunny weather and lots of activities and lessons outside. It was lovely to see the children enjoying a story or playtime in the sun!

This week's attendance can be seen in the table to the right. I'm sure you will join me in saying a big well done to children in Class 1T and 5B for achieving over 95% attendance this week! This is inline with the government's advised attendance levels.

Wishing you a relaxing weekend and look forward to seeing you all next week.

## Healthy Snacks

Please can we remind you that children should bring a healthy snack to school. We know it can be busy getting ready in the morning, but please try to avoid crisps and chocolate!

## Glass Jars Donation

Mrs Garrish would be very grateful of any empty unwanted glass jars! Please send any into school with your child.

**Thank you!**
