

Dear Parents/Carers,

Today you should have received your child's End of Year Report, either by email or paper copy. I hope you enjoy reading them and are as proud as I am of your children and their achievements this year.

We are entering our last full week next week, as children will be breaking up the following week on **Wednesday 21st July** at their normal finishing times, **between 3.05pm and 3.20pm**. After-School club will run as normal on this day.

May I remind you that, as COVID rates continue to increase in the community, please keep encouraging the children to wash their hands frequently and please keep wearing facemasks at the gate.

I would also like to say a big **Well Done** to class **4B** for achieving top class for attendance this week!

I wish you and your families a restful weekend,

Justin Gray

Headteacher

Damage to Staff Car

Sadly, one of the staff cars has been damaged twice this week by young children playing unsupervised. On the second occasion, the windscreen was left cracked. If you collect your children from the main entrance, it is essential that they are supervised, most importantly for their safety and but also to respect the cars of the staff who work so hard for them and for you.

Sports Day

Please find the information you need for next week, [here](#).
